

Abbey and Ivy were playing on the playground. Then Abbey and Ivy went to the swings. And Ryan came over and started talking to Abbey and Ivy. But Abbey and Ivy did not care what Ryan was saying. Then Ryan said to abbey hey dummy what are you talking about? Why did you call me a dummy ryan? I did not like that you called me a dummy. Sorry Abbey, I got angry because you weren't letting me in on the conversation. Ow sorry said abbey. I will not call you a dummy agen. I forgive you but I did not like being called a dummy. Ok i never will call you or anyone a name agen.
