Article Title: Lightning Is No Joke!

Why I Disagree with the Article: Lightning Is No Joke!

Reason 1:

I disagree with this article because most people aren't overly concerned about being struck by lightning.

Why I Disagree with the Article: Lightning Is No Joke!

Reason 2:

Just because it hit the earth 1 in 700,000 it
don't not mean it will hit 1 in 700,000 people

Why I Disagree with the Article: Lightning Is No Joke!

Reason 3:

I know how to avoid lightning and be safe
when a lightning strike

Text Evidence 1

Paragraph 2

Text Evidence:

100 times every second. 1 in 700,000 chance
a person has of being struck by lightning

Text Evidence 2

Paragraph 4

Text Evidence

Neither of them were worried they had no idea what was coming

Text Evidence 3

Paragraph 7

Text Evidence

If they had known the signs to look out for they could have gotten to a safe place in time
