

## Ch “Tik tok shop”

“I'm going to be talking about Tik Tok shop. Tik Tok shop is a shop on Tiktok, you can buy every upcoming trend like freeze dried candy, stanley cup, bracelets, skin care headbands, spicy foods and f2150 shoe cleaner.” Also you can dance and shop now that's cool.

The reason Tiktok shop not here is because they got boring. and they made new stuff and and Tiktok shop did not have it. and they became very expensive like tulip mania. Also they made new dancing apps and new shops you can save lots of money. next they got the coolest things like clothes, flatiron, shoes, lip gloss, and nails. do you think you would use the app?
