

**STUDENT MATERIALS**

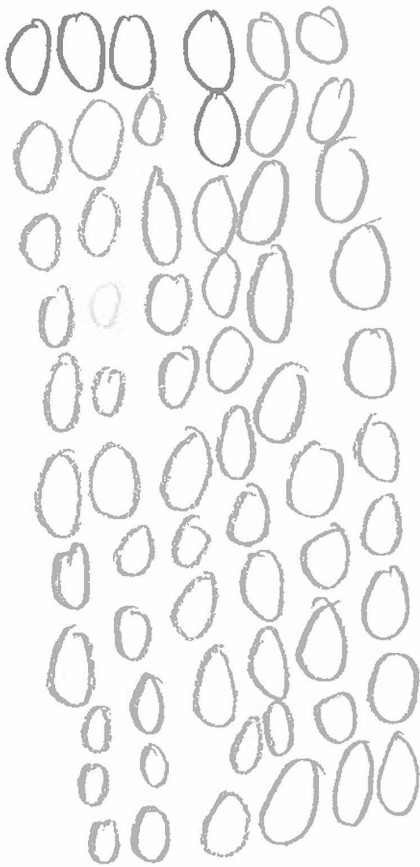

---

**STUDENT WORKSPACE**

---

Use the space below to solve your story problem:

$$10 \times 6 = 60$$

**REFLECTION**

Write your responses to each of the following reflection questions:

1. What is one thing you think you did well?

one thing I did well was  
everything. One thing I did  
really well was the  
Army.

2. What was your biggest challenge and how did you overcome it?

nothing was hard for me.
