

## STUDENT MATERIALS

### PART 1 - SELECTING ACTIVITIES WITH CLASS POINTS PROMPT

#### Selecting Activities with Class Points

##### Grade 3

Your elementary principal announced a school-wide classroom contest. Each student will receive daily points for completing their assigned math homework. Each teacher will then combine all the students' points for the week and submit their classroom totals to the principal. The principal will hold onto the collected weekly points for all the classrooms and share the results in five weeks.

Below are the weekly point totals for one third grade class:

~~200~~, ~~218~~, ~~202~~, ~~176~~ and ~~127~~ points.

1. Please find the total number of points the class earned. Show your work in the space below.

$$\begin{array}{r} 200 \\ + 218 \\ \hline 418 \end{array}$$

$$\begin{array}{r} 418 \\ + 202 \\ \hline 620 \end{array}$$

$$\begin{array}{r} 620 \\ + 176 \\ \hline 796 \end{array}$$

$$\begin{array}{r} 796 \\ + 127 \\ \hline 923 \end{array}$$

923 points

The points a classroom earns may be used to participate in any of the following activities:

Activities	Points
Hat Day	1,000
Extra Recess	426
Flash Light Reading	389
Pick a Classroom Seat	637

2. Given the total class points over the five-week period and the listed activity points, how would you recommend that the class use their points? Make a recommendation to the class, persuading them to go with your idea. Include the following:
- The number of points they will use and the reward(s) they will get.
  - The number of points that will be left and how the class could use those points toward their next reward.
  - Why your recommendation is the best.

~~8~~ ~~10~~ ~~13~~  
~~426~~ ~~487~~

Please use the sentence stems and lines below to include the inclusion of your letter responses. Please remember to show your work.

- a. I would recommend selecting the following reward(s) Extra Recess that will cost 426 points because The get fresh air, and Play whith friends. They can run around the play set and the monkey bars.
- b. After selecting the recommended reward(s), there will be 487 points remaining. Those remaining points could be used later to select Flash light+Reading because We can get very good for reading and if they are in 3<sup>th</sup> or 4<sup>th</sup> they will get better for 4<sup>th</sup> or 5<sup>th</sup>
- c. My recommendation is the best one for my classroom because Extra Recess You can get fresh air and dont you want to play with your friends. The Flash light Reading is very good for your Brien You can get better and better.

**PART 2 – ASSESSMENT PROCESS QUESTION (5 MINUTES)**

1. As you went about solving the two performance assessment problems, what were a few of the key pieces of information that you included in your response that helped you solve the problems? Please write your response on the lines below.

You get fresh air for Recess and a good  
Brain gets a good student for  
Flash light Reading,

**PART 3 – REFLECTION (5 MINUTES)**

After you have responded to the first two parts of this assessment, please complete the reflection questions below.

1. If you were to decide on the activity choices for the classroom and you shared it with your classmates, how do you think they would respond to your recommendations and why?

I think that they would agree with my idea because people love Extra Recess and some of my classmates love to do Flash light Reading enclosing me I love Reading and Recess.
