

STUDENT WORKSHEETS

STUDENT WORKSHEET

Use the table below to organize your day at the amusement park. List purchase descriptions for events, food, and beverages. Then, find the amount spent and ensure you have stayed within your \$200 budget. You will arrive on a Saturday morning at 10am and leave the same day at 11pm.

Use your scrap paper to work out mathematical computations. Once this is complete, use the list of purchases to answer the questions that follow the table.

Amusement Park Schedule and Budgeting Sheet

Purchase Description	Cost
Admission (circle one) <u>General Admission</u> OR General Admission + Fast Pass	47\$
Lunch (food item and drink): pepperoni pizza and juice box	12\$

REFLECTION

Once finished with the table, answer the following questions.

1. Did you decide to participate in additional activities? yes
 - a. If so, what was the total cost of the optional additional activities you participated in?
11 \$
2. How much did it cost for a snack for 3 people? 18 \$
3. Why was mathematical accuracy (being able to add, subtract, multiply, and divide correctly) important during this task?

SO THEN I KNOW HOW MUCH I HAVE
LEFT TO SPEND AND HOW MUCH I SPENT

Special Events

These events and activities may be purchased in addition to a park admission ticket.
